PARIS OPTION- 3 ADDITIONAL NIGHTS IN PARIS

Stay three nights in **Paris**, perhaps the most captivating city in Europe. Famous names and events are invested with a glamour that elevates the city and its people to a legendary realm, and it still clings to its status as an artistic, intellectual and literary pacesetter. Nowadays the most tangible and immediate pleasures of Paris are found in its street life and along the lively banks of the River Seine. Few cities can compete with the cafés, bars and restaurants that line every street and boulevard. And the city's compactness makes it possible to experience the individual feel of the different quarters. You can move easily, even on foot, from the centrally located hotel in which you will be staying.

Extension price includes: TGV HIGH-SPEED train from Geneva to Paris, private group transfers and lodging at the centrally located **Hotel Belloy St. Germain** (double occupancy) with European Buffet Breakfast. Transport to **Paris de Gaulle Airport** for flight back to **Newark(EWR)** ***It should be noted, if choosing the Paris option, skis will not fit on the high speed train. Consider renting or shipping with this option.***
